**JOURNEY
CHRISTIAN
CHURCH**

Are we finally done with the snow and cold yet? I would like to say absolutely to those things, but you just never know when we live where we live.

No matter what the weather, I want our lips to speak the words that the Psalmist wrote, "Praise the LORD! Praise the LORD, O my soul! I will praise the LORD while I live; I will sing praises to my God while I have my being." Let's start each day with those words and that mindset. We can thank God for many blessings and I thank God for the blessing of you today. He is doing such great things here at Journey. You are that great thing! He has led you here to be part of our church family, He is growing you in a closer walk and understanding of who He is through His Son, our Savior and Lord. He has gifted you and will use you to be a continued blessing to one another.

Another blessing is how we are now beginning our exterior projects once again, so please make note when you enter and leave that we may have construction going on at times in which to be aware of. As people give to our "Future Fund", the money will go to our renovations and improvements of our church building. The more you continue to give, the more we can continue to do for Him at Journey.

Living Life...God's Way

Pastor Matt

My Dear Mother

To one who bears
the sweetest name,
and adds lustre
to the same,
long life to her,
for there's no other,
who takes the place
of my dear mother.

THIS IS MEMORIAL DAY

This is Memorial Day

In our land of the free.

It's because of those who sacrificed

Whose graves you're here to see.

They fought on foreign lands

And across the open sea,

And paid the ultimate price

To keep you and I free.

So put all things aside

And honor this important day,

Which we have dedicated

As our Memorial Day
