

# JOURNEY CHRISTIAN CHURCH

FEBRUARY 2023

**Christ in Me!** A new sermon series coming mid-February has to do with us knowing, having and displaying Christ in us. We will go through the book of Galatians, living out this theme for 2023, Christ in me.

Please know we are remodeling in the back of the church as the new adult classroom/meeting room is well underway. Just take caution ladies as you go to the restroom or use the kitchen. Staying out of this area for everyone is recommended and safest until it is finished.

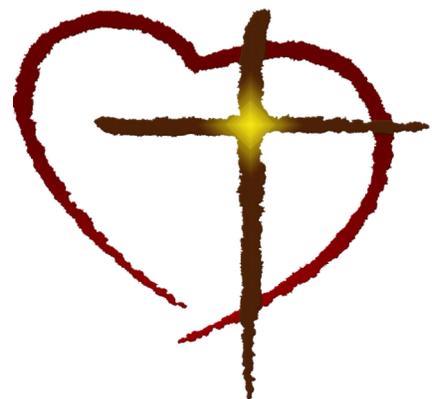

**New Ministry Coming Soon!** Walking Together will be a new ministry in which parents that raise children well into adulthood have more challenges to face than ever before. We want to provide a place of encouragement, support, prayer and insight with other families in similar circumstances. This once a month support ministry will begin later next month on March 16<sup>th</sup>. More information will follow!

Finally, the Apostle John reminds us that we are to love one another, as Christ has loved us. He quotes the very words of Jesus soon before He went to the cross. Love covers many things. Having a heart that gives and shows love is a direct reflection of Christ living in us. Find ways to show His love to others and it will be shown to you.

With Sincerity and Love,

Pastor Matt

Living Life...God's Way

*There is no greater love than to lay  
down one's life for one's friends.*

*John. 15:13*

## Where Can I Serve?

Here at Journey, the question has come up, "Where can I serve?" God has gifted each of us with talents and abilities to serve. Do you like children? Do you have the gift of teaching? Do you like crafts? In order for our Sunday School classes to run efficiently we need willing people to step up and fill in the gaps. Do you like to clean? Could you greet and show new visitors around? Perhaps when we have special events, extra hands are always needed. Jesus didn't start His ministry alone, He asked men to help Him; to be alongside of Him. So we are seeking to have you serve with us on this "Journey". Thank you to all that are filling in and stepping up, but, there's always room for more to make the load lighter.
